

The National Academy of Sciences of Belarus
State Scientific and Production Association "Scientific and
Practical Center of the National Academy of Sciences of
Belarus for Bioresources"

First Information Letter

DEAR COLLEAGUES!

We are pleased to invite you to take part in the
III International scientific and practical conference

*«Current problems of wildlife protection in
Belarus and neighboring regions»*

**September 24-26, 2025
Minsk, Belarus**

Conference languages:

- belarusian,
- russian,
- english.

Main Directions of the Conference:

- Specially protected natural sites as wildlife biodiversity reservations;
- Wildlife monitoring: trends and the major problems;
- Modern Climatic and Anthropogenic Factors Influencing Wildlife;
- The influence of alien species on native fauna;
- Problems and perspectives of the wildlife resources utilization;
- Red Data Book как инструмент охраны природы: итоги использования и направления дальнейших исследований.

Forms of participation:

- Speech at the general session (up to 20 minutes);
- Presentation of the report on the section (up to 10 minutes);
- Poster presentation;
- Corresponding participation.

Venue of the Conference:

- Academicheskaya, 27, Minsk, The Republic of Belarus, 220072.

Registration fee:

- For participants from Belarus – 30 BYN;
- For foreign participants– 850 RUB, 10 € or 10 \$ (paid on-site);
- For students and postgraduates – free of charge.

Travel, accommodation, and meal expenses are covered by the participants or their sponsoring organizations.

During the conference, the following activities are planned:

- a friendly dinner (optional, paid separately);
- a guided tour of the Botanical Garden.

Based on the conference results, an electronic collection of materials will be published.

- The volume of materials should **not exceed 5 full A4 pages**.
- With the authors' permission, the materials will be made publicly available on the portal **Elibrary.ru**.
- Научный комитет оставляет за собой право редактировать или отклонить материалы, не соответствующие тематике и научному уровню конференции, а также в случае нарушения требований оформления и установленных сроков подачи материалов;
- Ответственность за представленные на конференцию материалы несут авторы;
- Each publication in the conference proceedings requires a separate fee.
- The registration fee is to be paid only after confirmation of the materials' acceptance for the conference! Payment details for the registration fee will be provided in the second information letter.

KEY DATES:

- Submission of applications and materials – until August 15, 2025
- Payment of the registration fee – until August 30, 2025 (*foreign participants can pay the registration fee on the day of arrival at the conference*).

To participate in the conference by August 15, 2025:

- please register at the link -
